I can not go to my school right now.

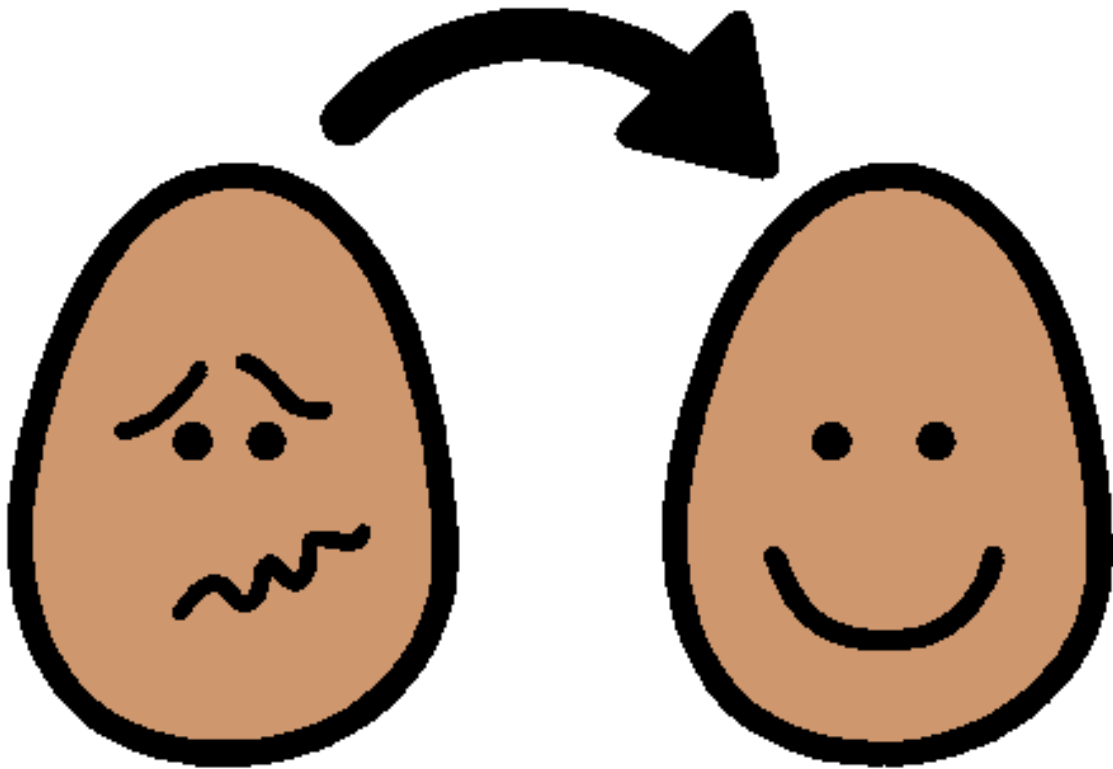

I need to stay at home.

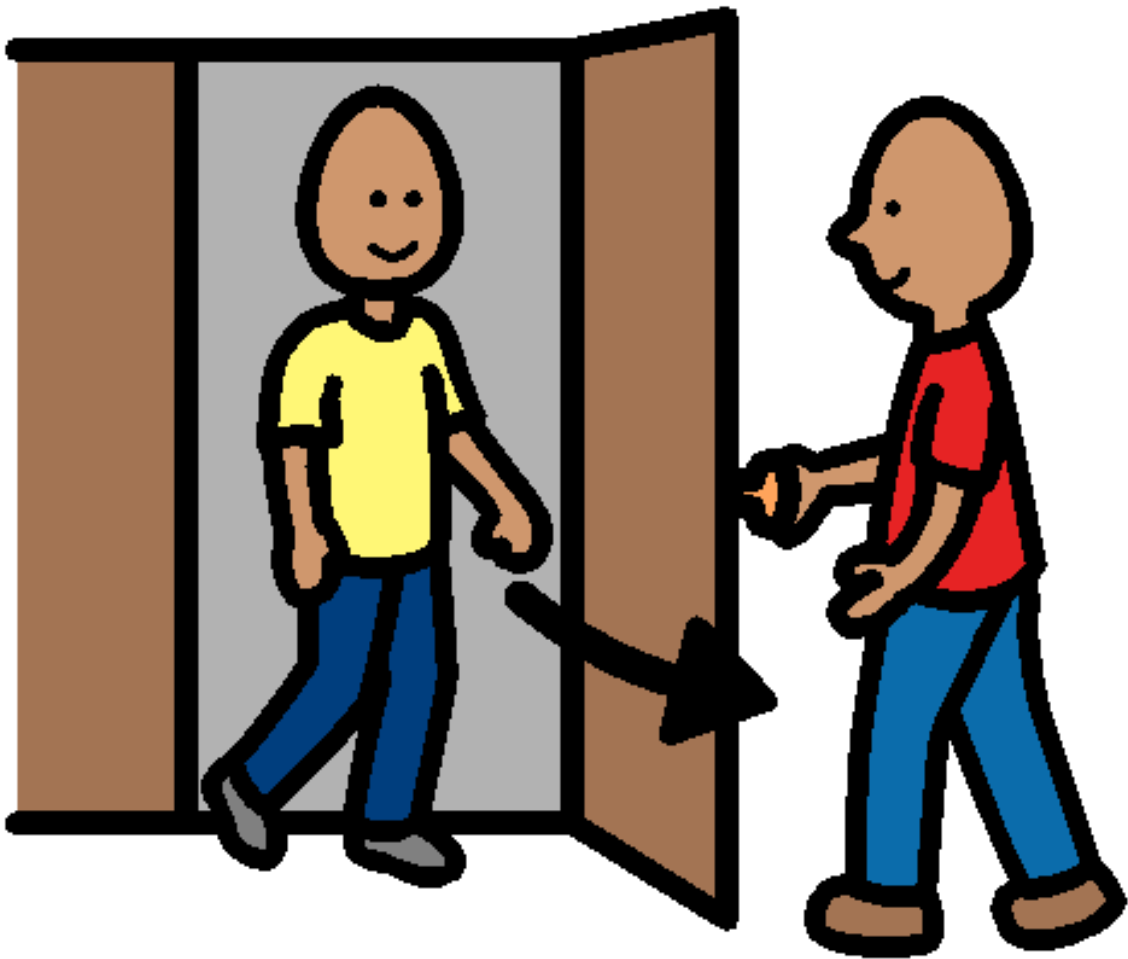

This is for everyone's safety.

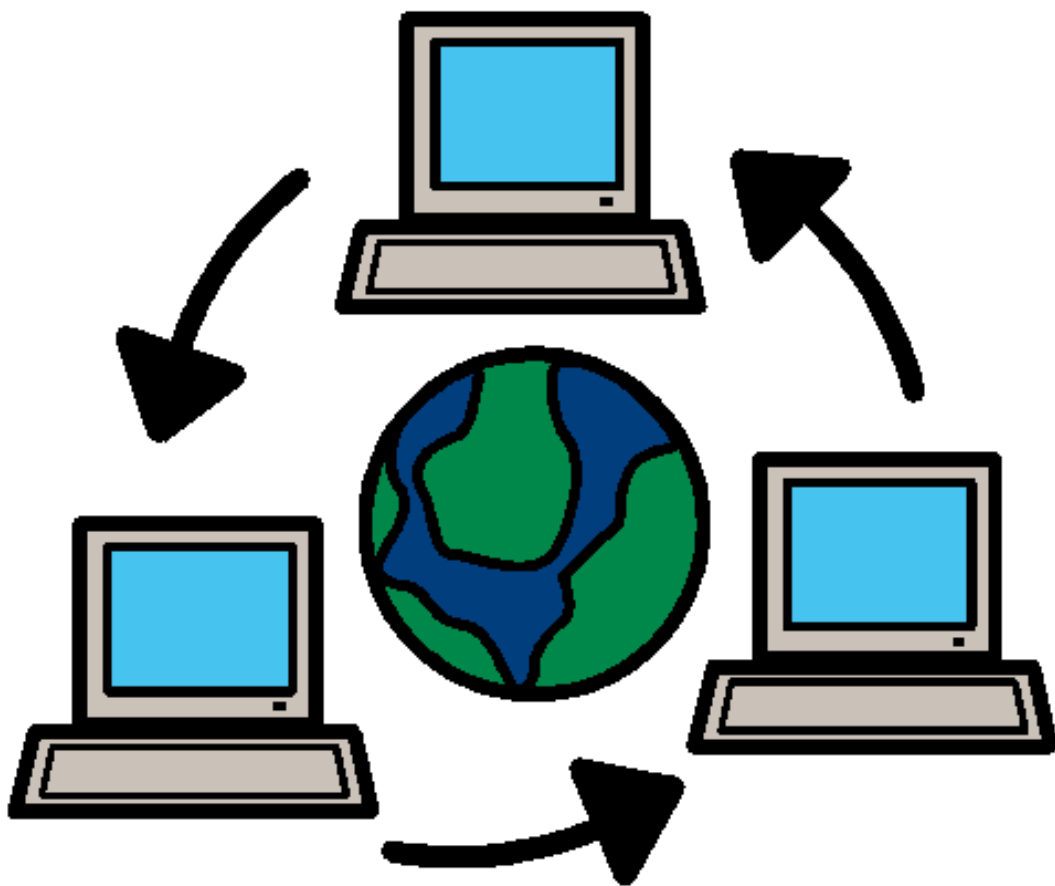

This is only  
temporary.

I will go back to school when things are safe again.

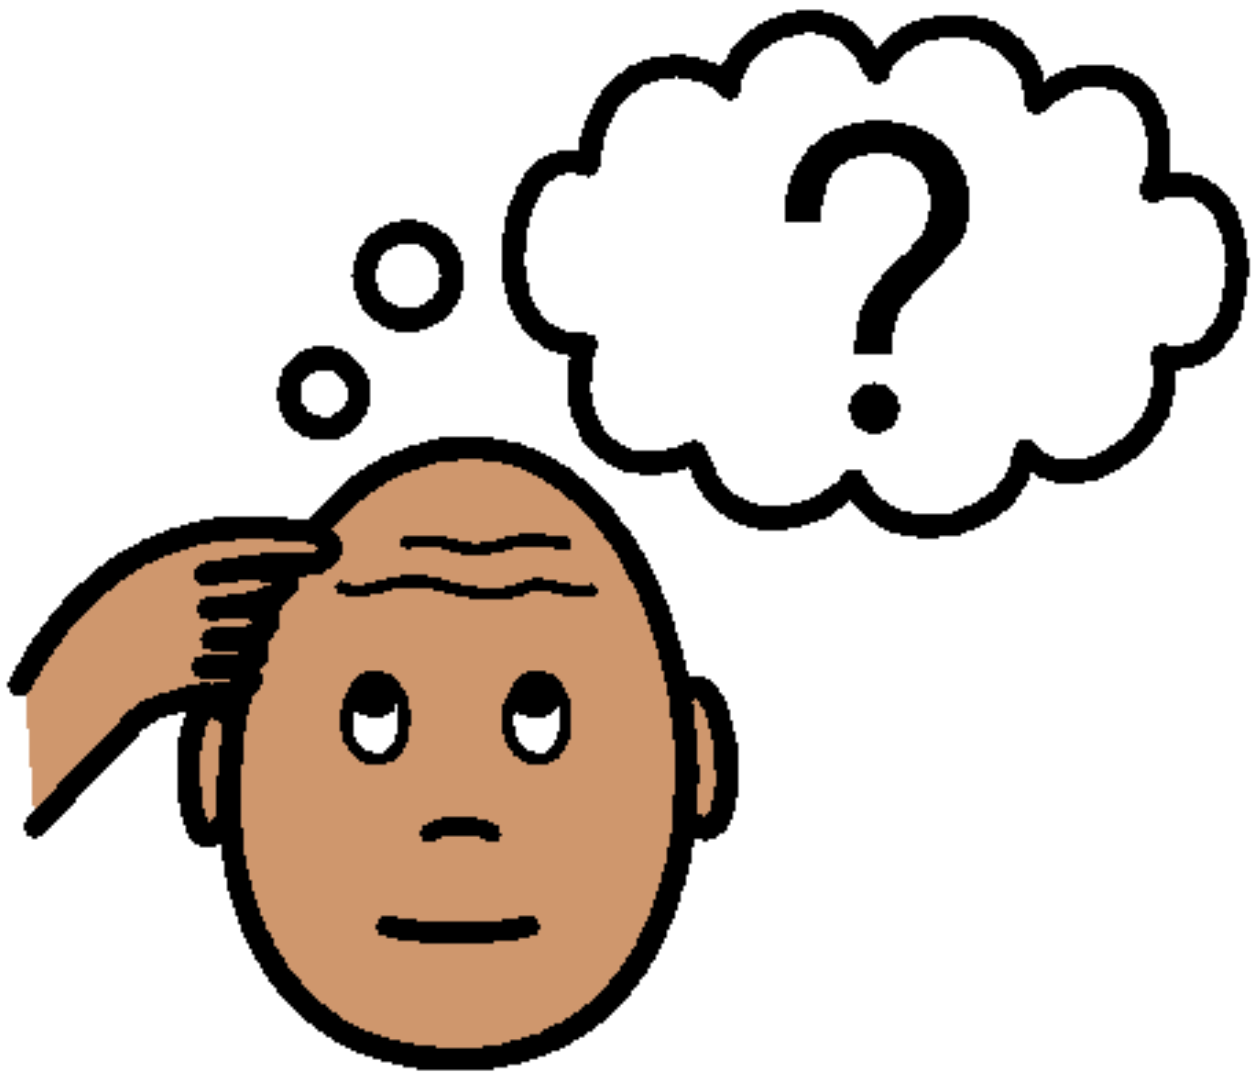

For now, my learning will continue with the help of technology.

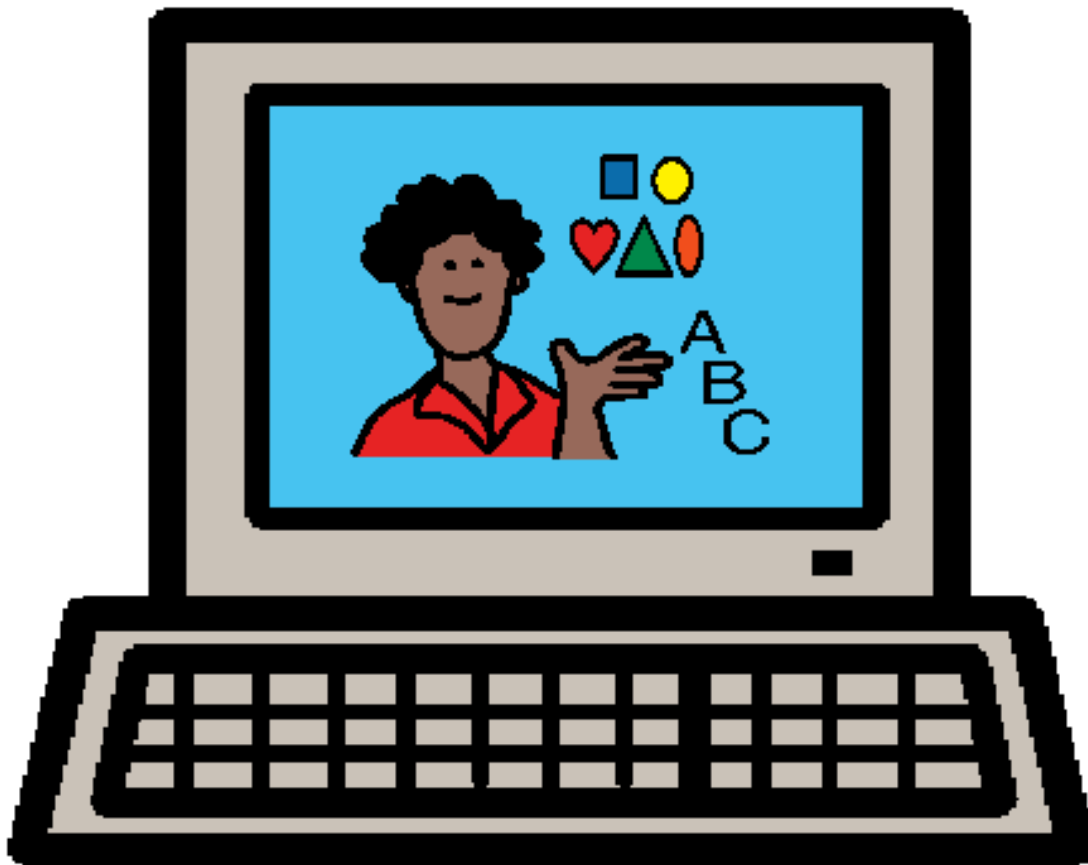

This a change for  
many people.

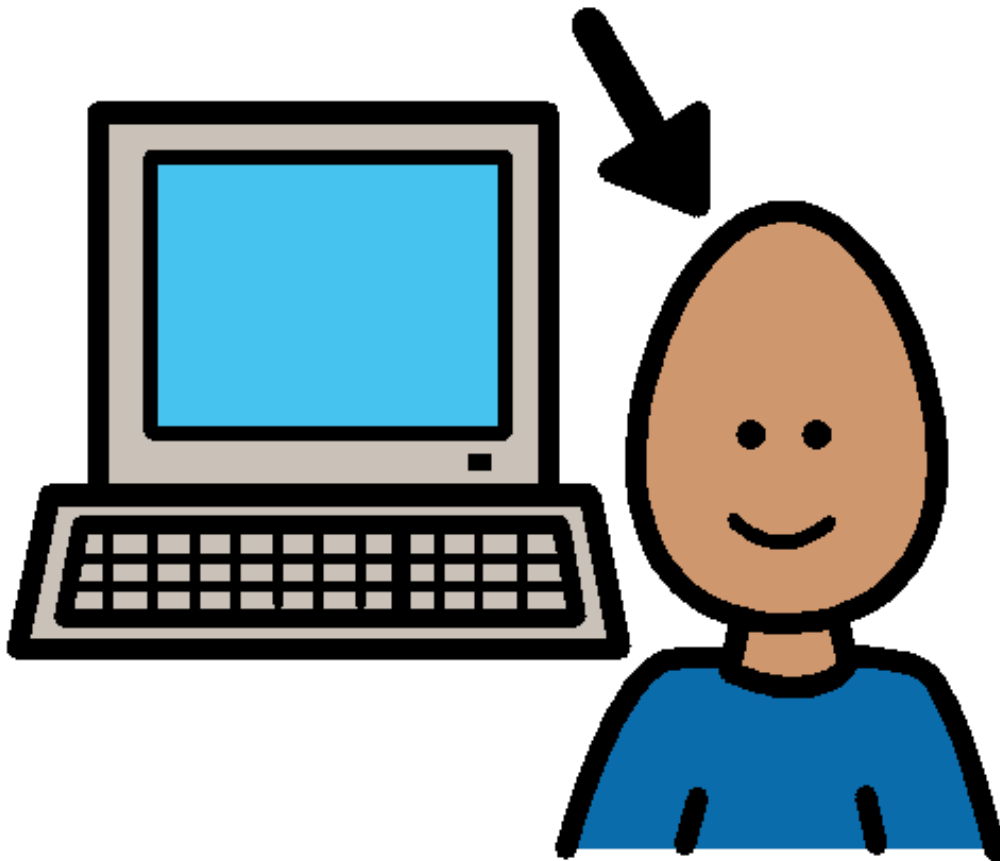

My teacher is  
learning how to do  
things differently.

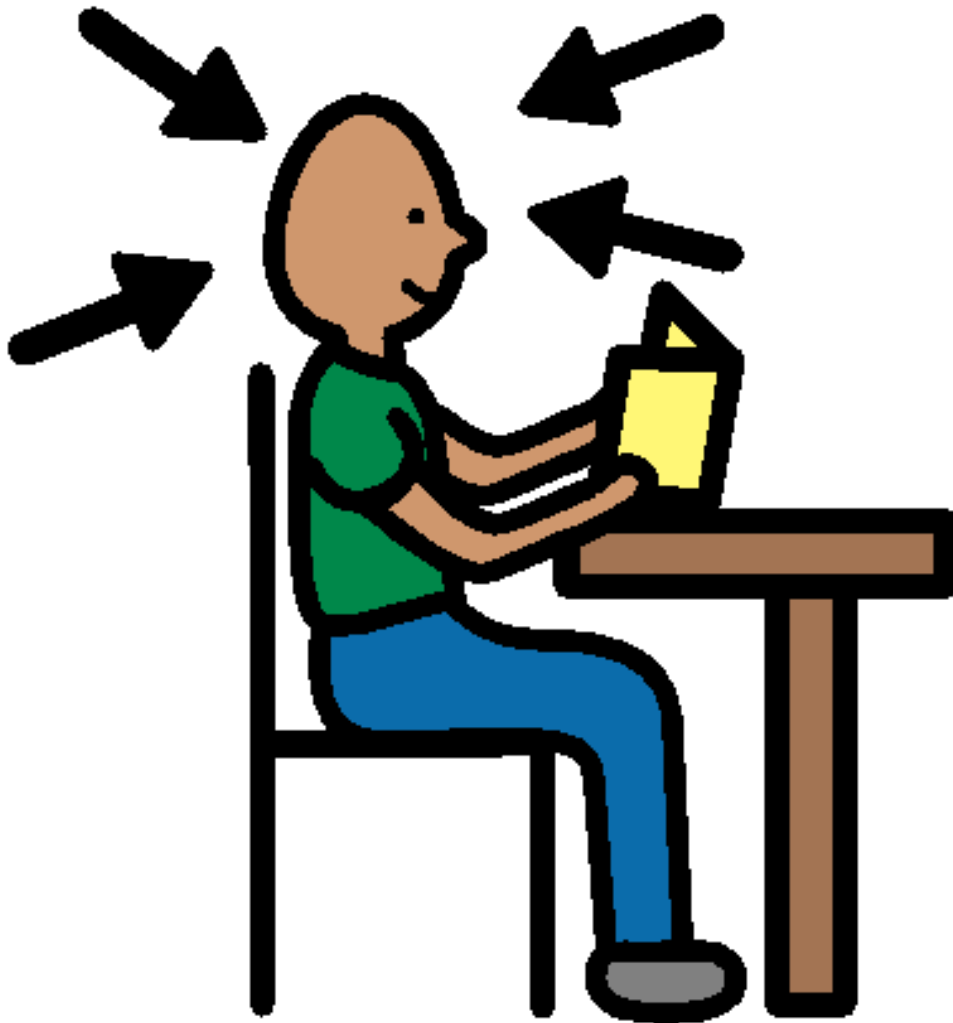

My teacher will  
teach me virtually.

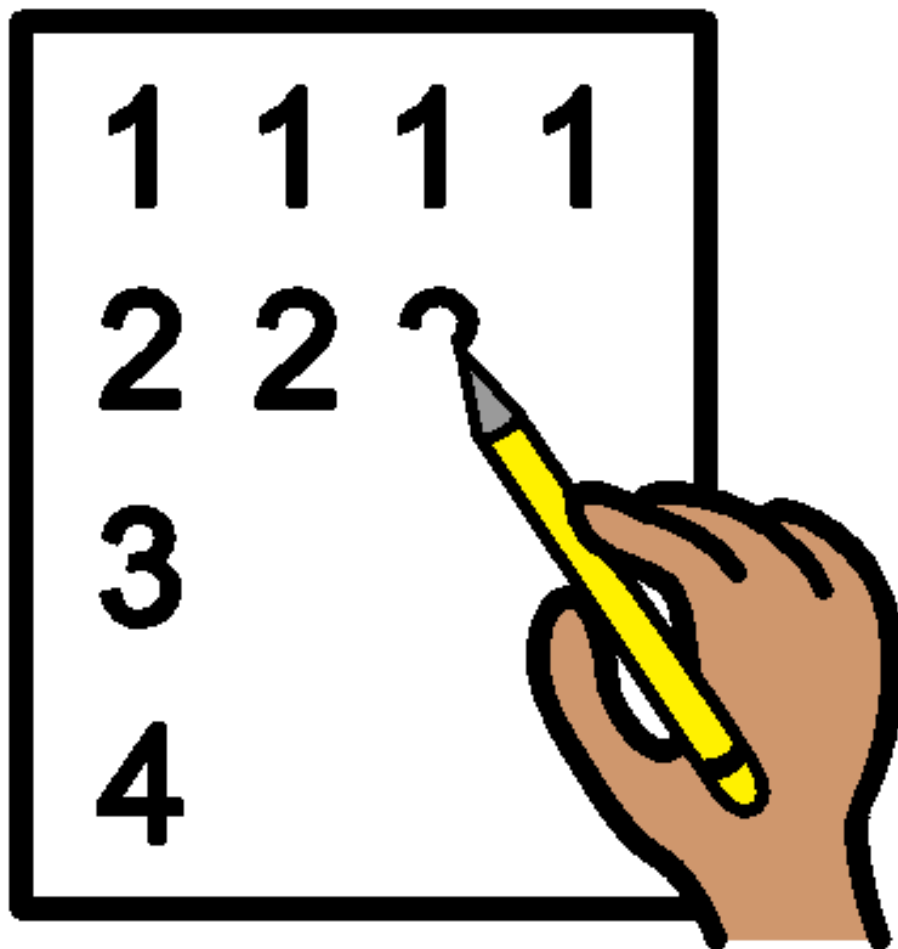

I will figure out how  
to learn in new  
ways while I am at  
home.

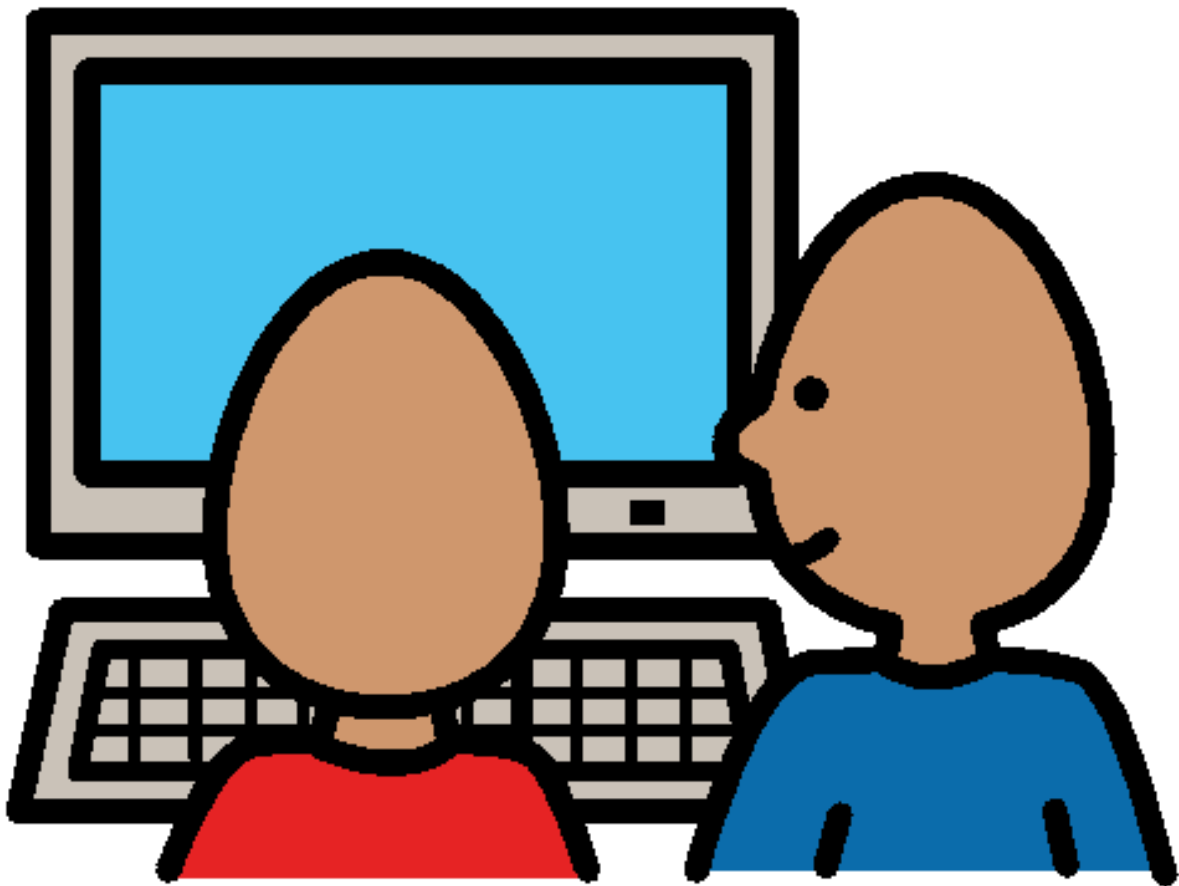

My brain will  
continue to learn  
and grow.

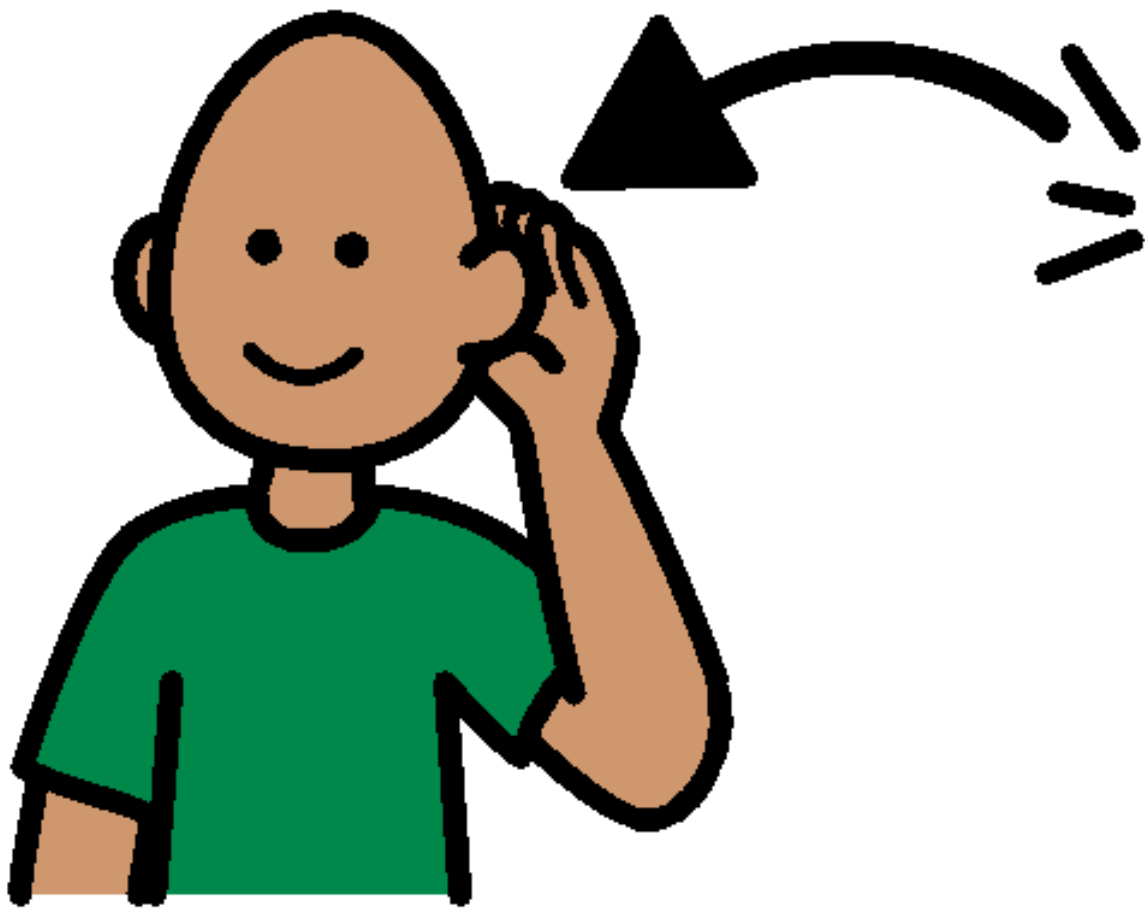

I practice so I don't forget the things that I have learned.

My parents help me  
while I am learning  
at home.

I listen to my  
teacher and my  
parents.

My teacher gives  
me instructions and  
assignments.

My parents help me  
to follow the  
teacher's  
instructions.

I work hard and try  
my best.

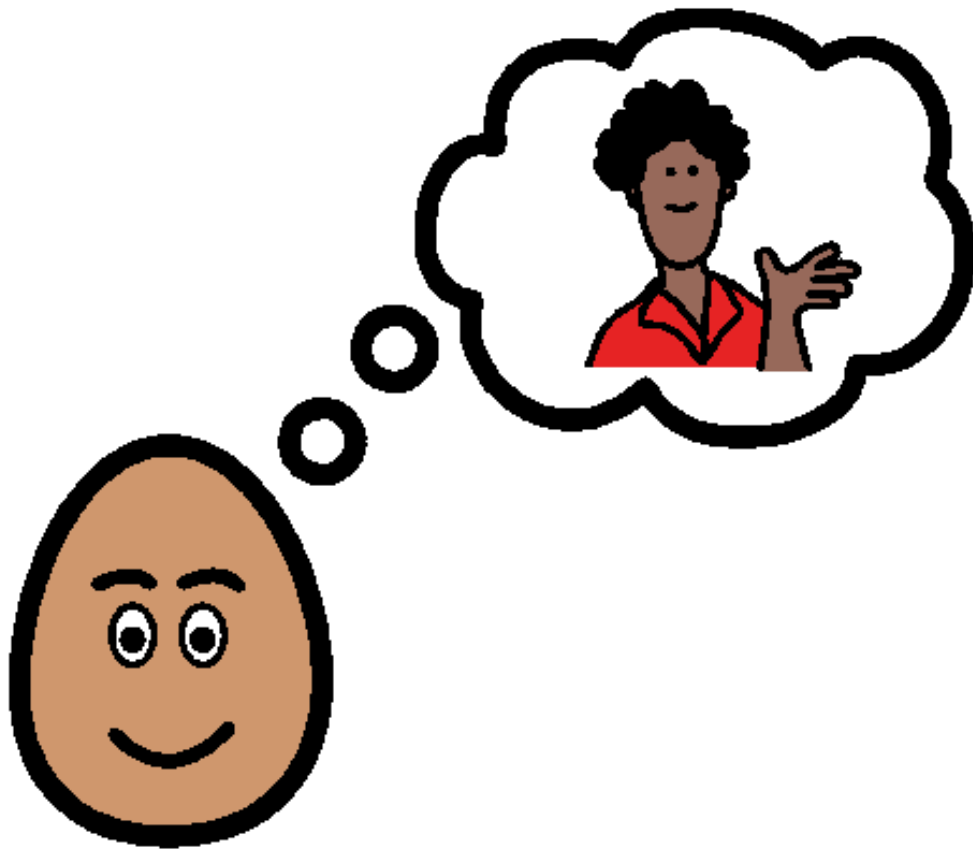

Then I show the  
teacher what I  
have learned.

It's good to keep  
learning while am I  
at home.

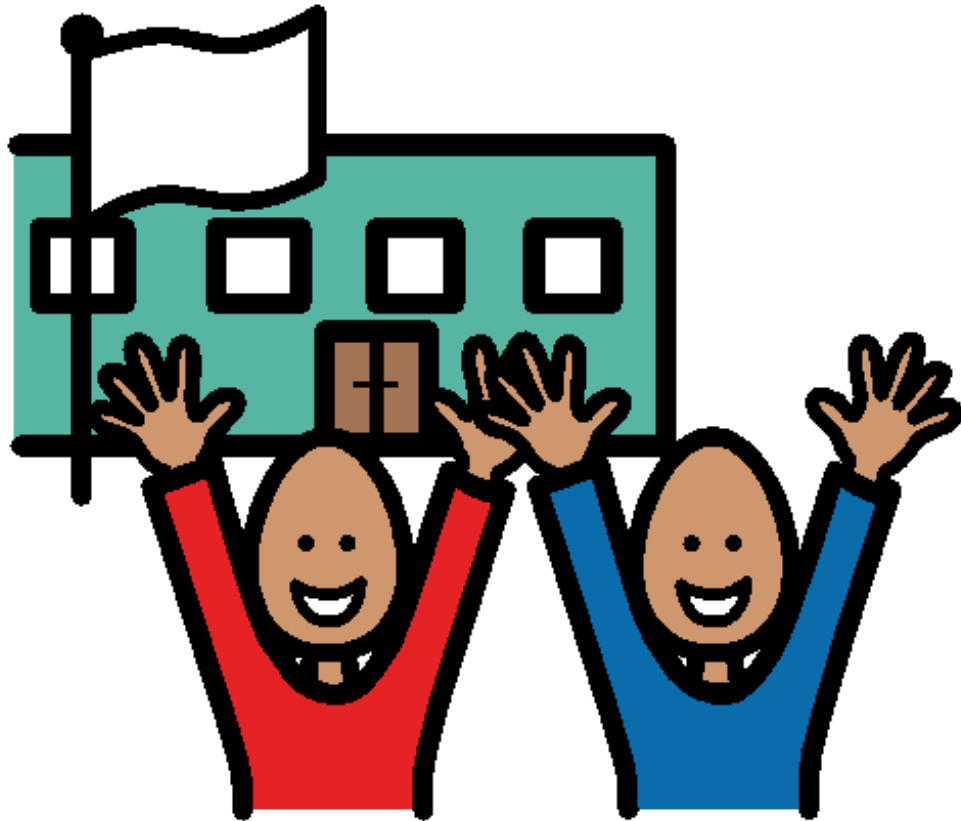

It's nice to stay  
connected with my  
teacher while we  
are apart.

Other students are  
working at home  
too.

It will be exciting  
when we can all be  
together again at  
school!
