I have many  
wonderful friends.

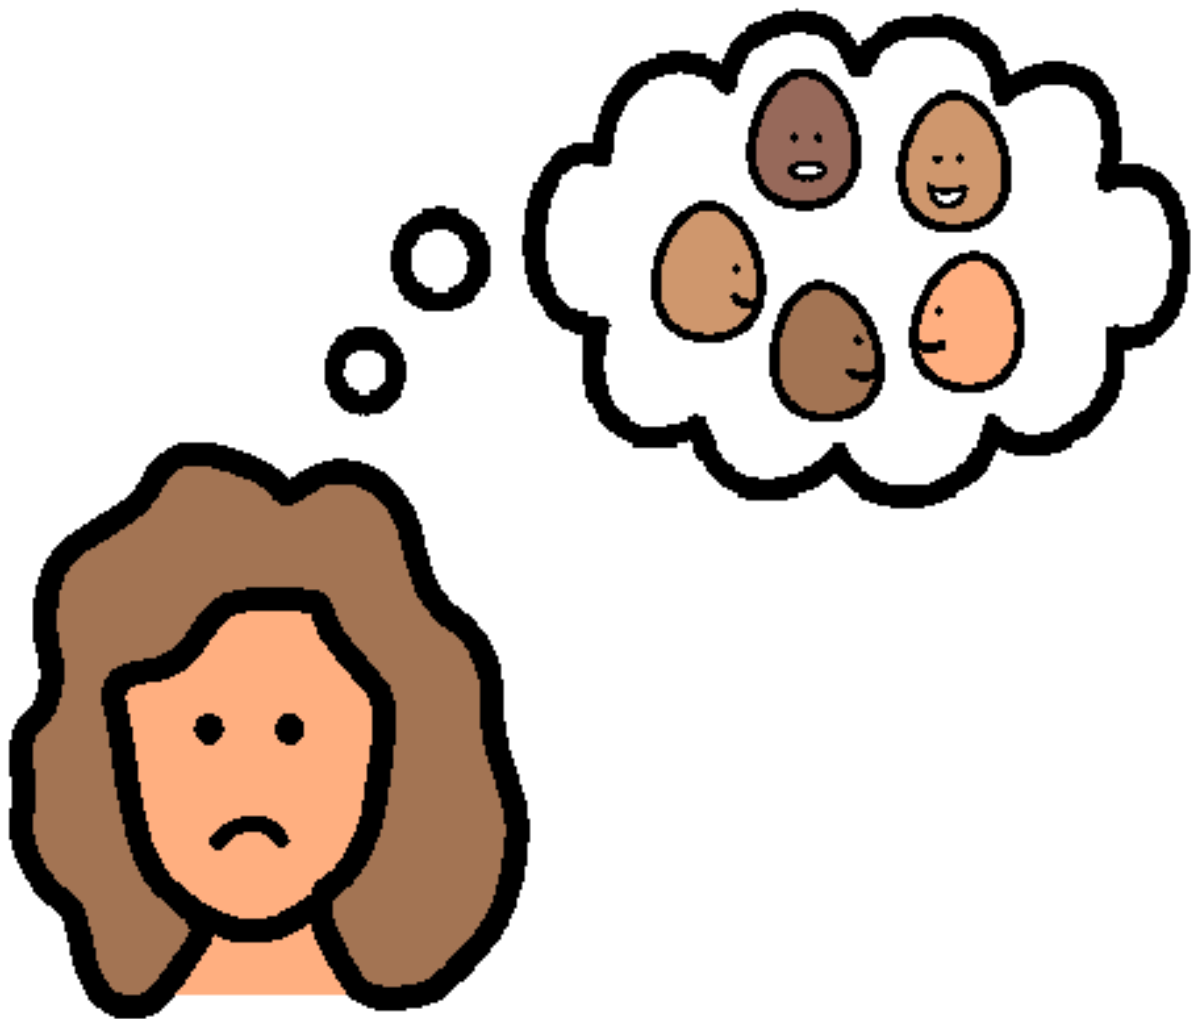

We do fun things  
together!

Right now, I can't  
see my friends.

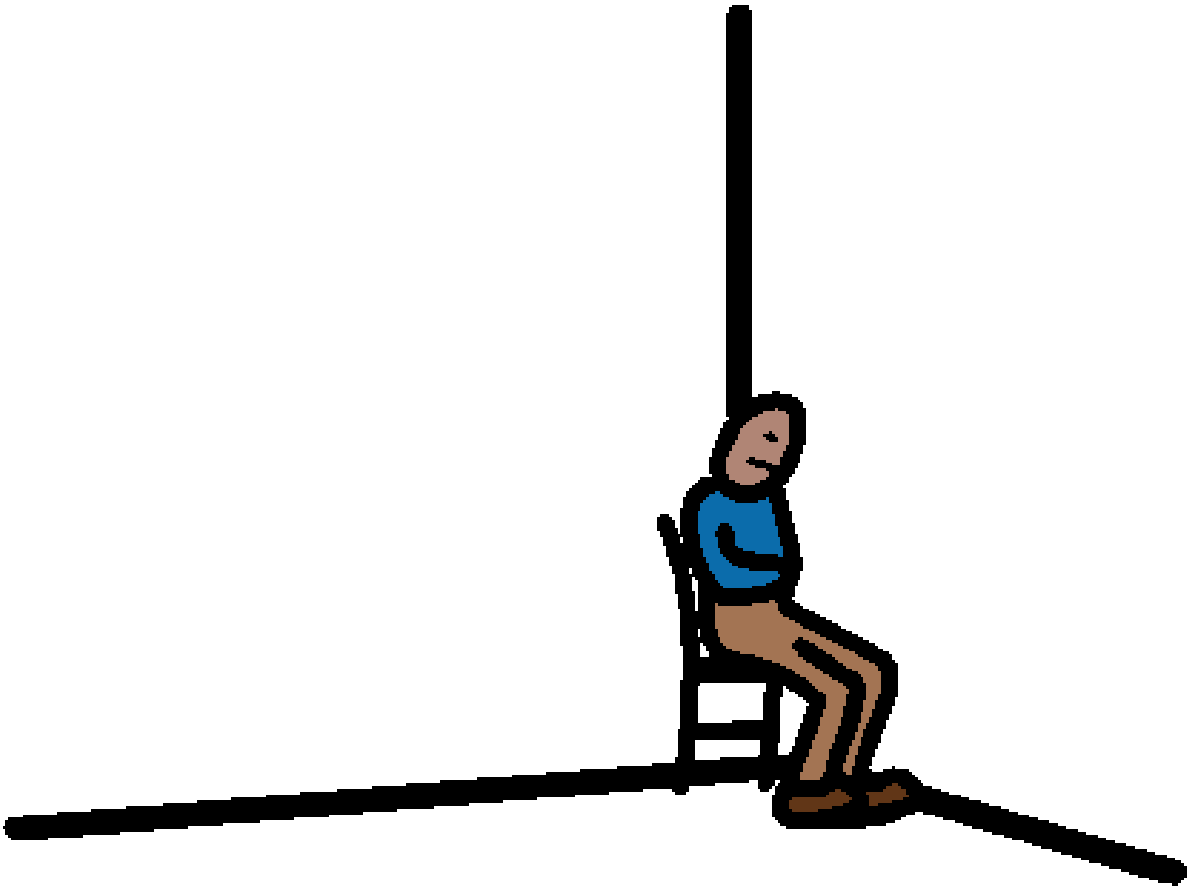

I miss my friends!

I feel sad.

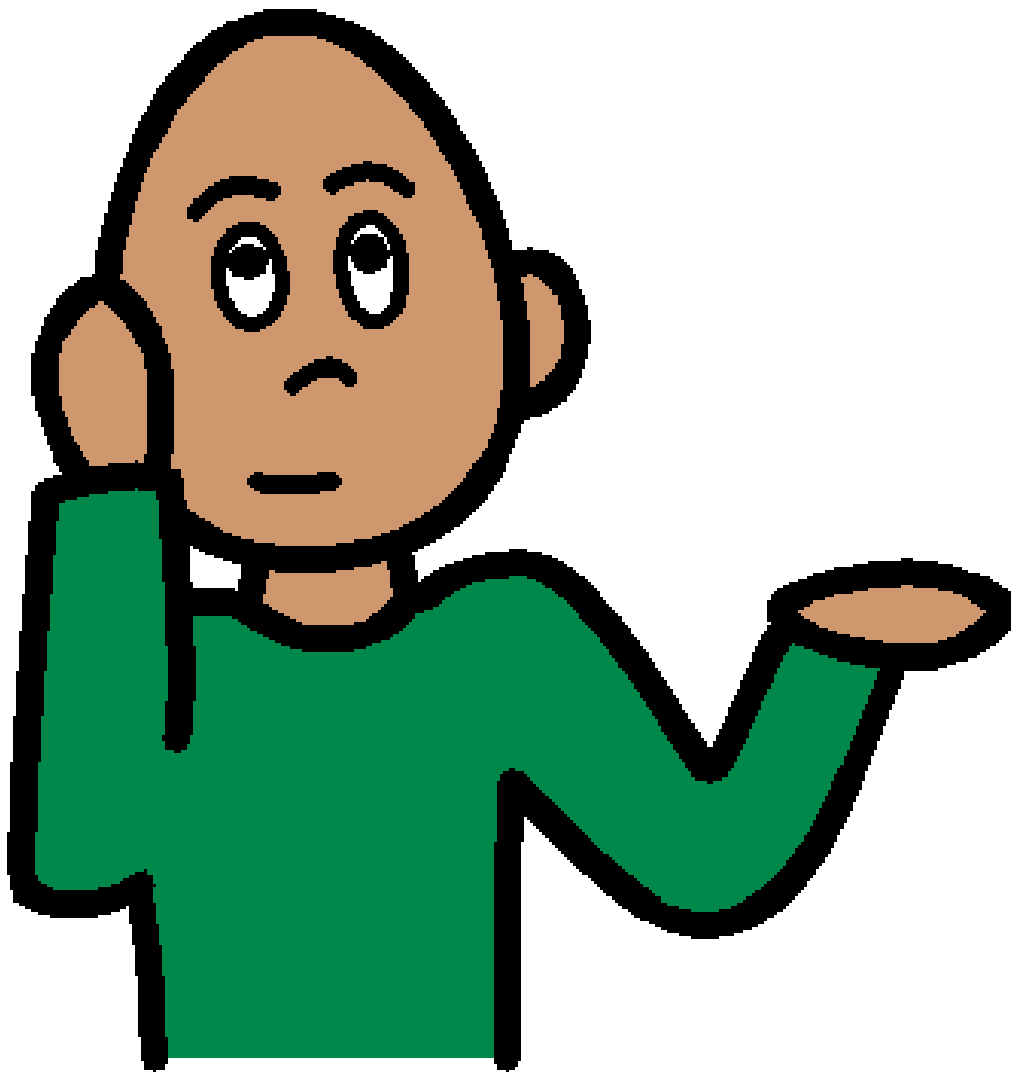

I feel lonely.

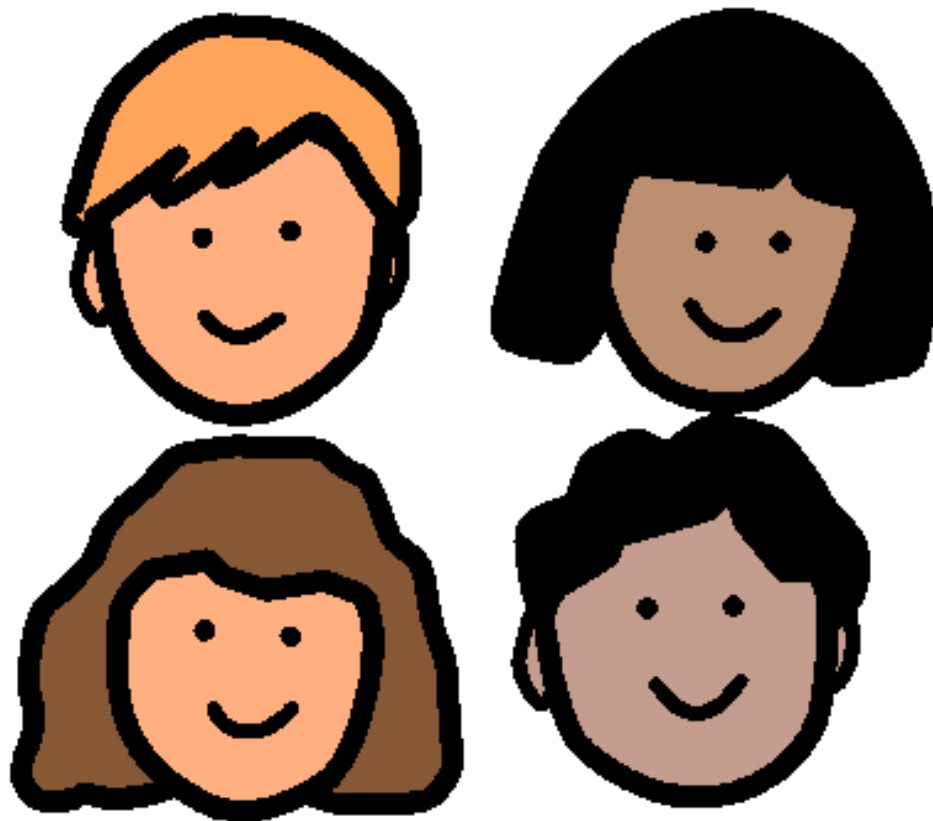

I feel bored.

But being apart  
right now will keep  
us safe.

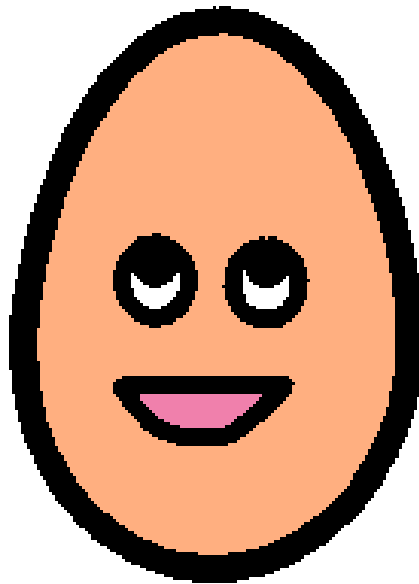

I still have my  
friends, even  
though we can't  
be together.

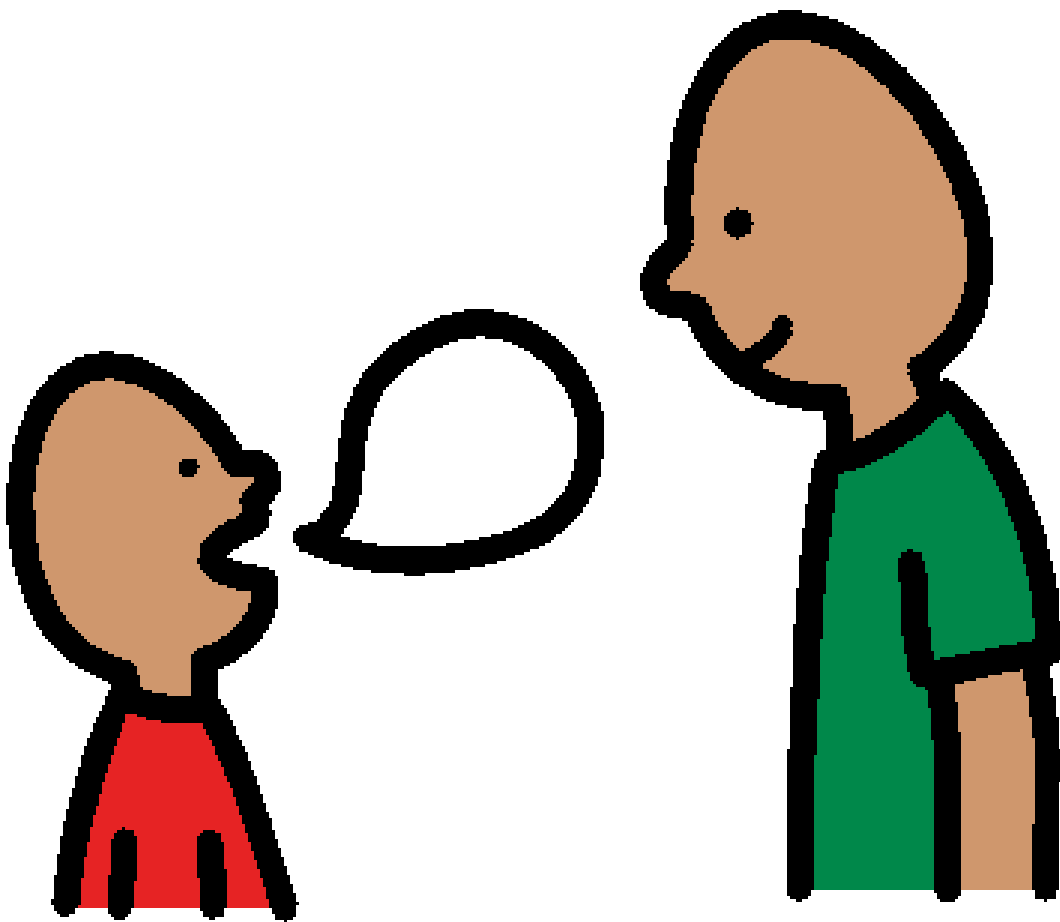

My friends are  
missing me too!

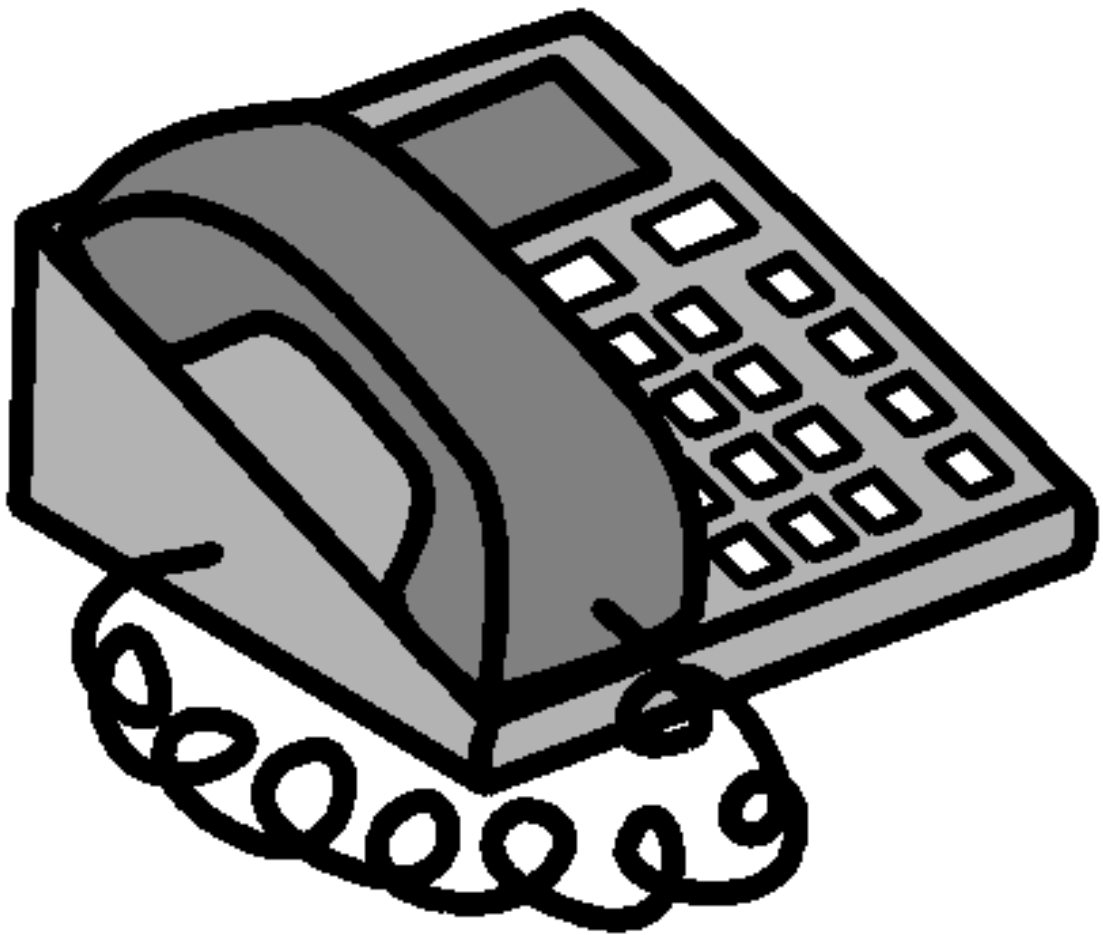

I reach out to my  
friends.

I ask my parents for help.

I phone my friends.

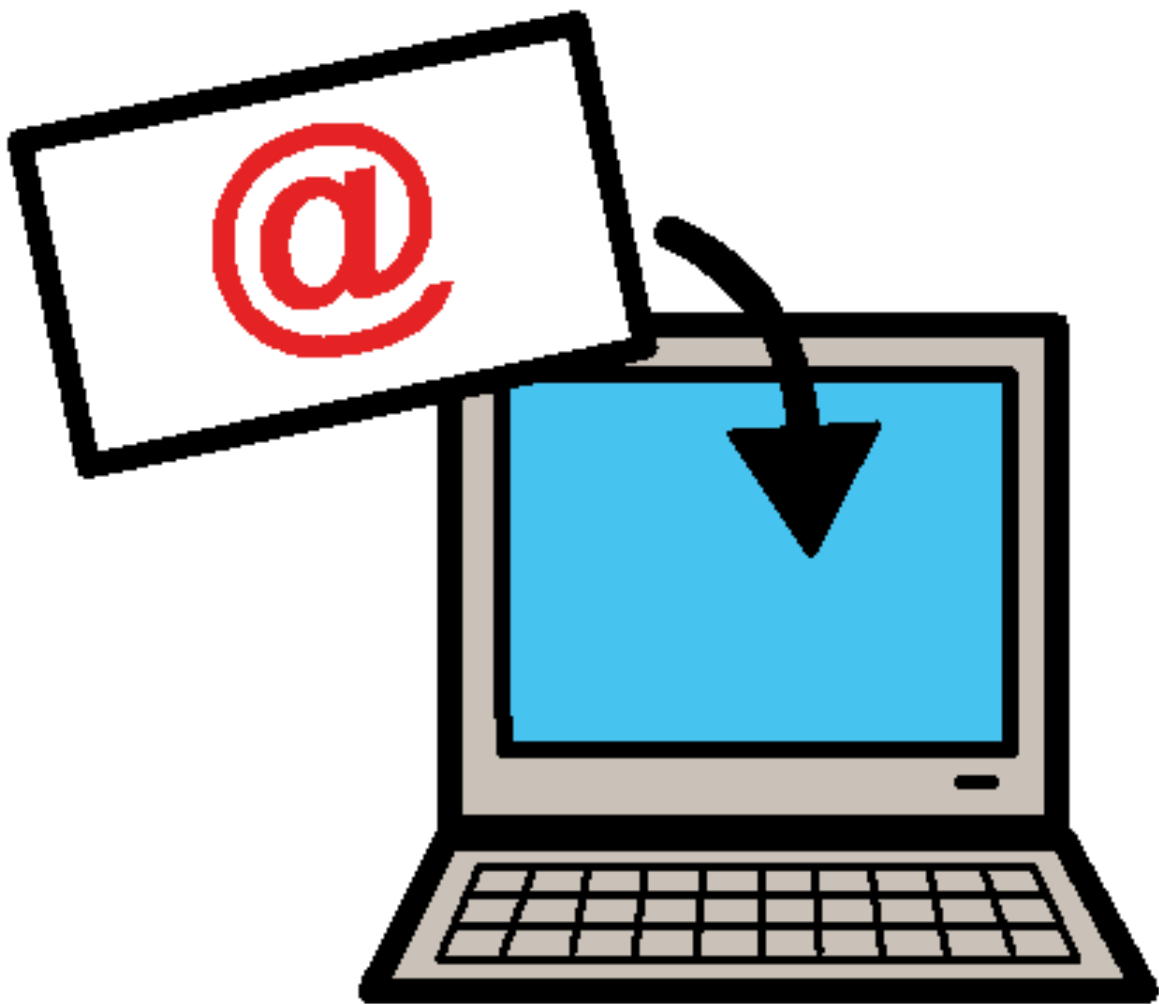

I video chat with  
my friends.

I email my friends.

I text my friends.

I mail a letter to my  
friends.

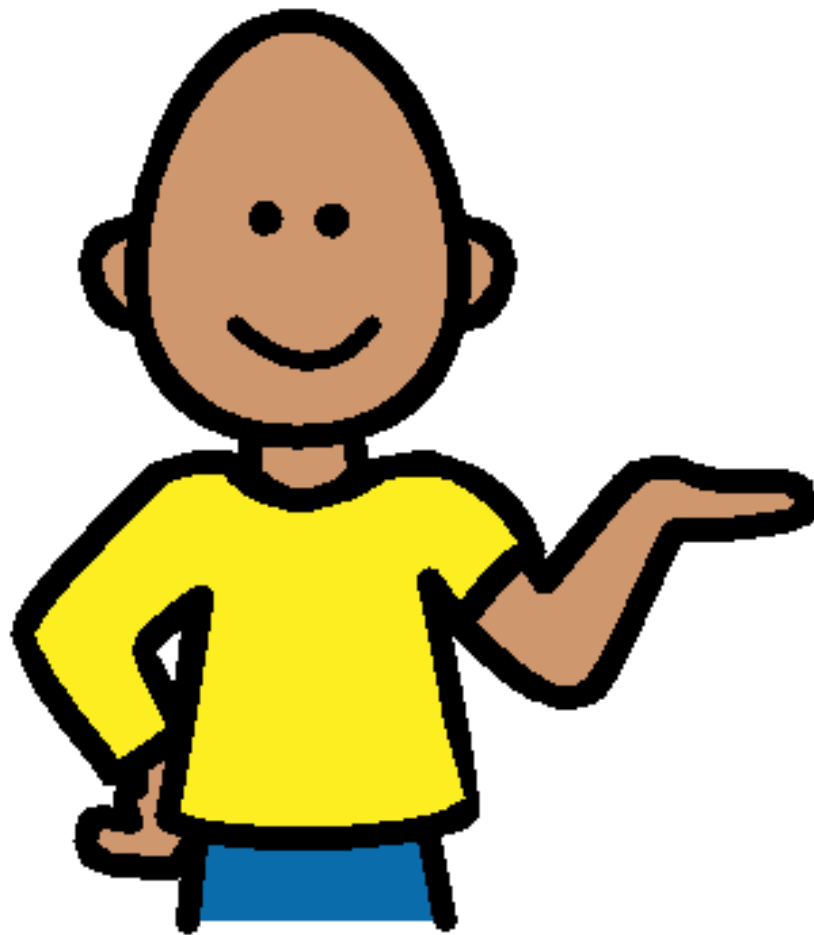

I make things for my  
friends.

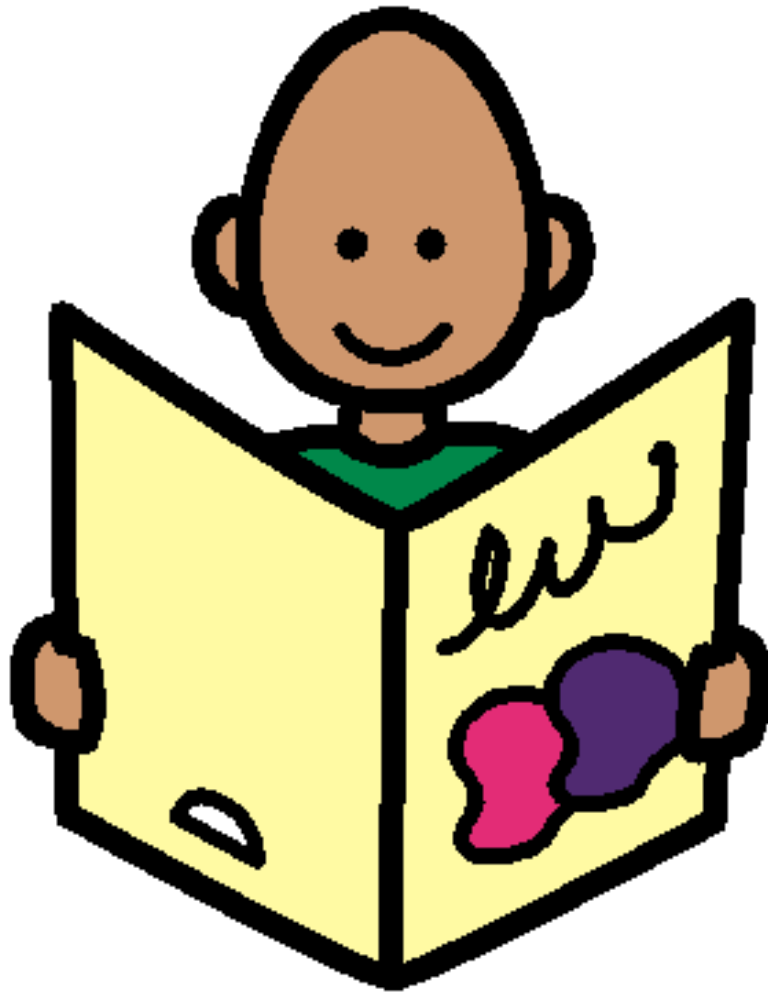

I think about all the things I want to do with my friends when we see each other again.

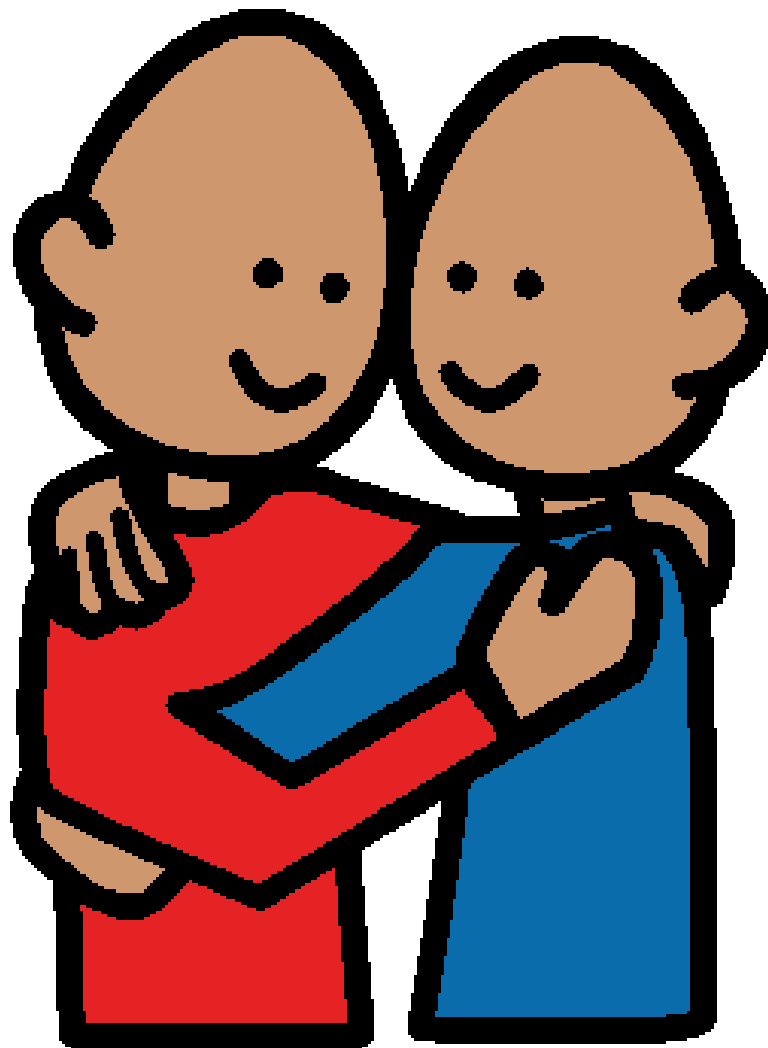

It's good to have  
things to look  
forward to.

I like making my  
friends feel good.

Friends are the best!
