I can't go to my school right now.

I need to stay
at home.

This is for
everyone's safety.

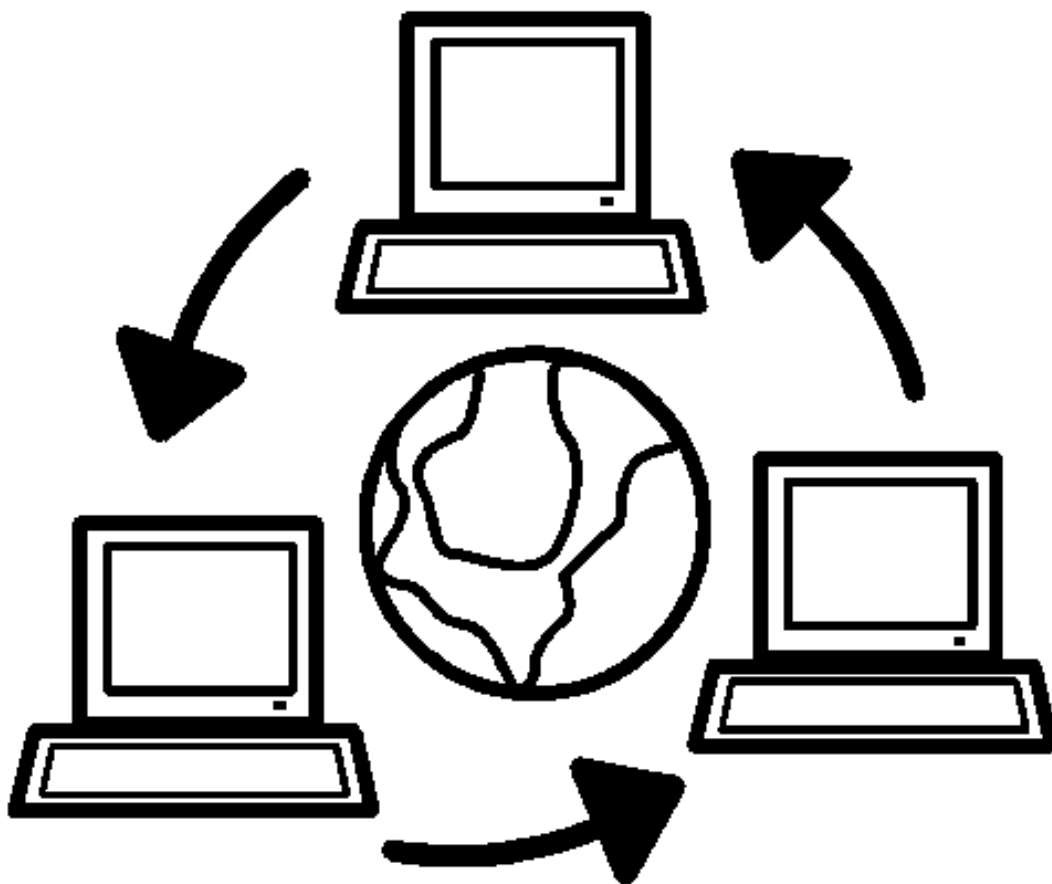

This is
only temporary.

I will go back to school when things are safe again.

For now, my learning will continue with the help of technology.

This is a change for many people.

My teacher is
learning how to do
things differently.

My teacher will
teach me virtually.

I'll figure out how to
learn in new ways
while I'm at home.

My brain will
continue to learn
and grow.

I practice so I don't
forget the things
I've learned.

My parents help
me while I'm
learning at home.

I listen to my
teacher and
my parents.

My teacher gives
me instructions
and assignments.

My parents help
me follow
the teacher's
instructions.

I work hard and
try my best.

Then I show the
teacher what
I've learned.

It's good to
keep learning
while I'm at home.

It's nice to stay
connected with my
teacher while
we're apart.

Other students
are working at
home too.

It'll be exciting
when we can all be
together again
at school!
