I have a  
wonderful family!

We do fun  
things together!

I can't see some of  
the people in my  
family right now.

# I miss them!

Being apart now  
will keep us safe.

I still have my  
relatives, even  
though we can't  
be together.

My relatives are  
missing me too!

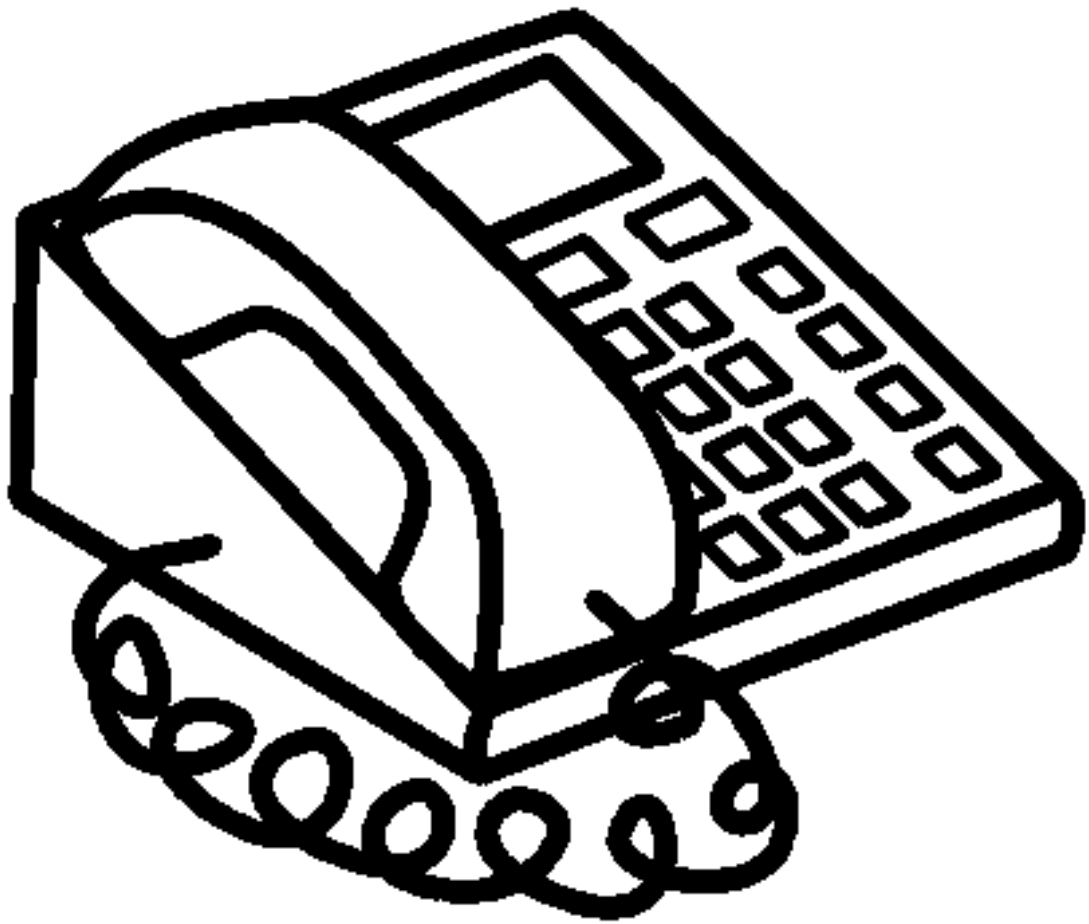

I reach out to  
my family.

I ask for help.

I phone my family.

I video chat with  
my family.

I email my family.

I text my family.

I mail a card or a letter to my family.

I make things  
for my family.

I think about all the things I want to do with my relatives when we see each other again.

It's good to have  
things to look  
forward to.

I love my relatives.  
They love me too!
