I have a
wonderful family!

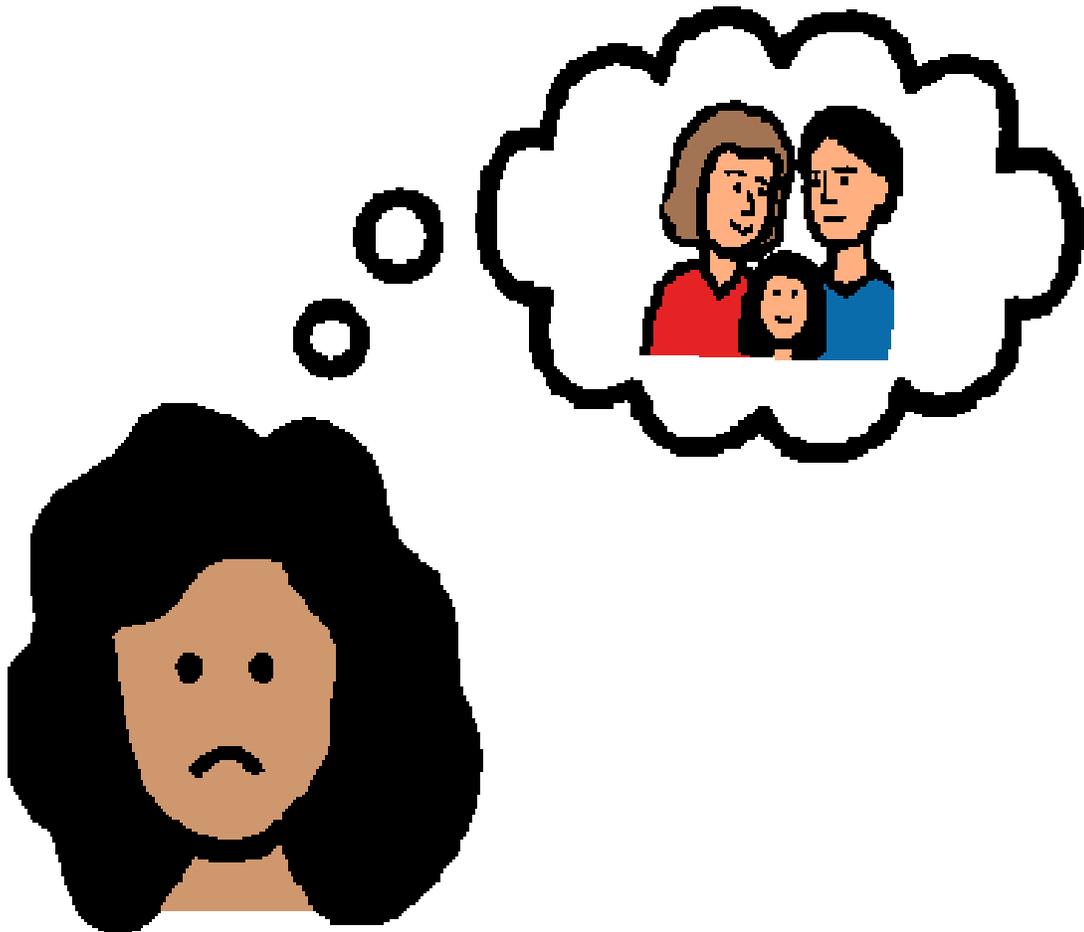

We do fun
things together!

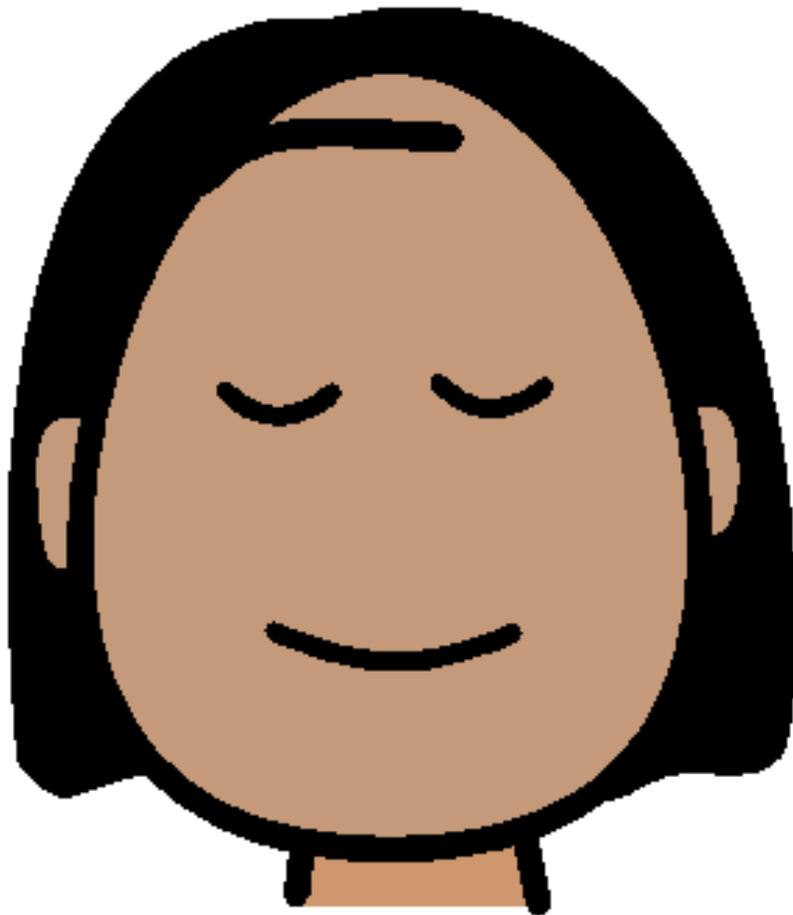

I can't see some of
the people in my
family right now.

I miss them!

Being apart now
will keep us safe.

I still have my
relatives, even
though we can't
be together.

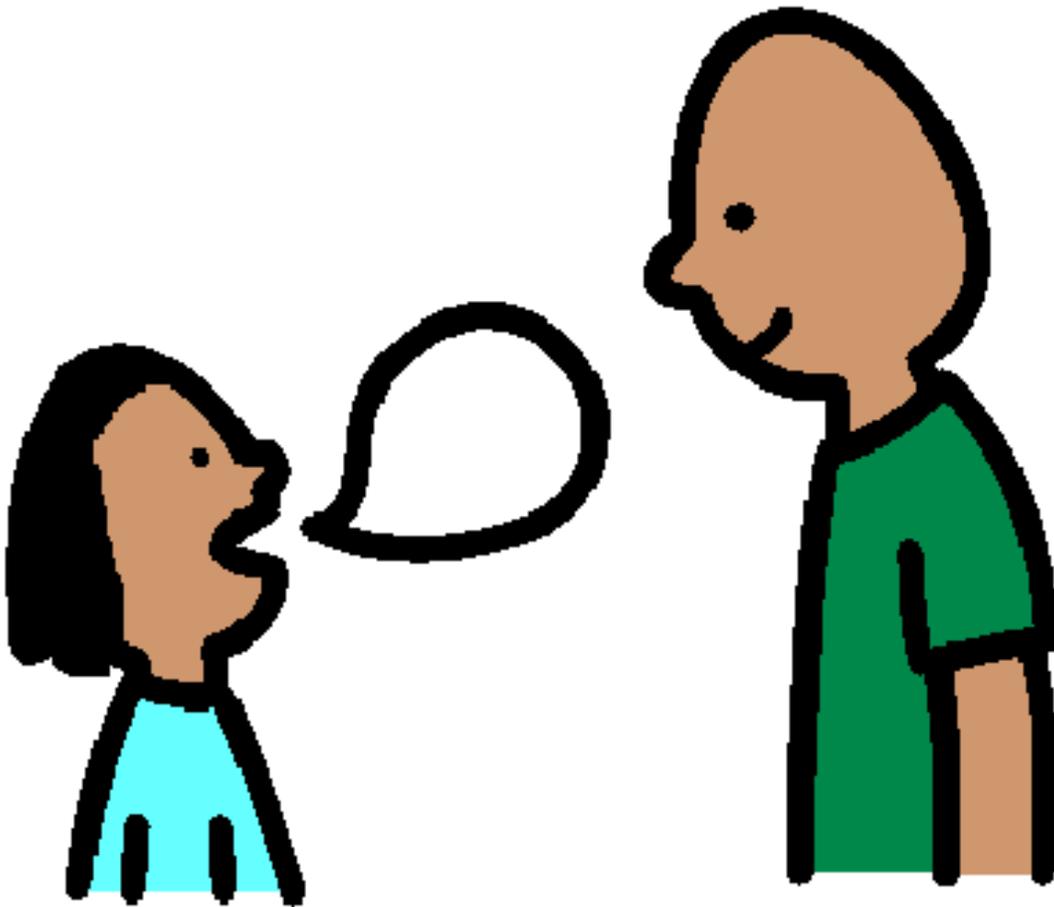

My relatives are
missing me too!

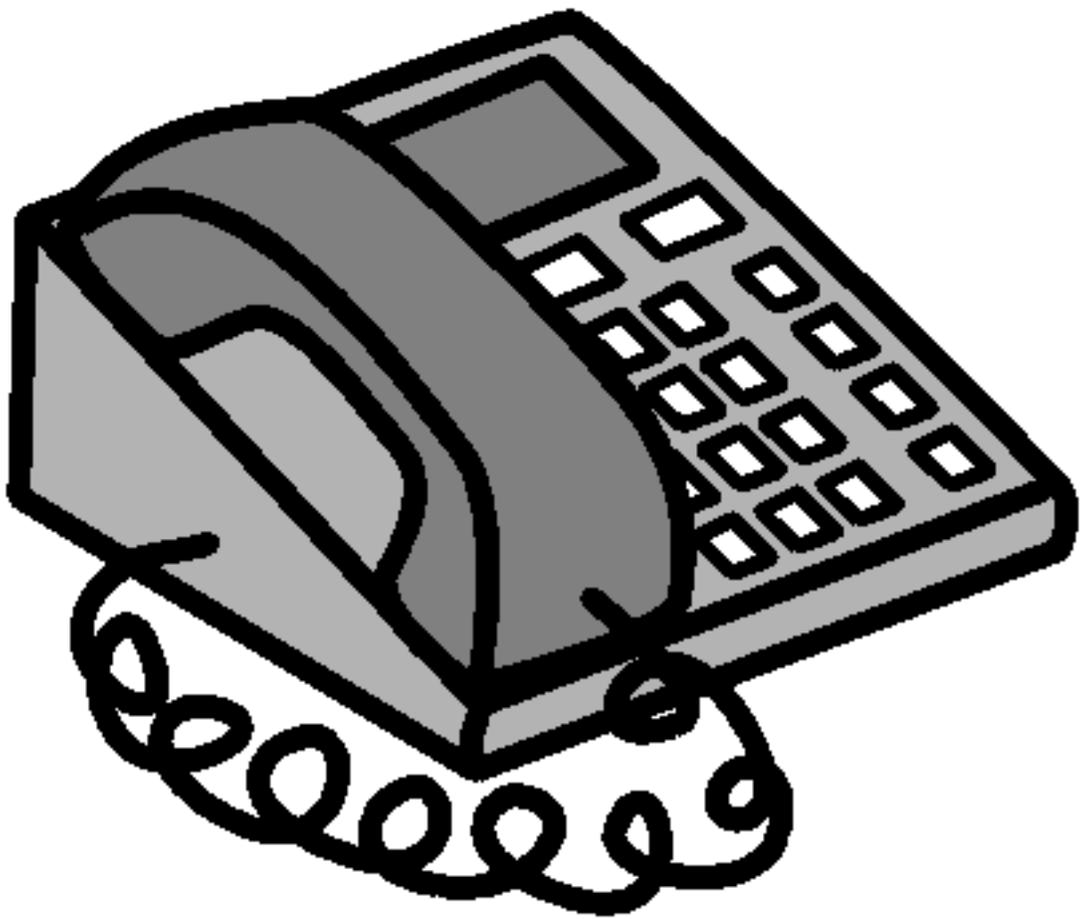

I reach out to
my family.

I ask for help.

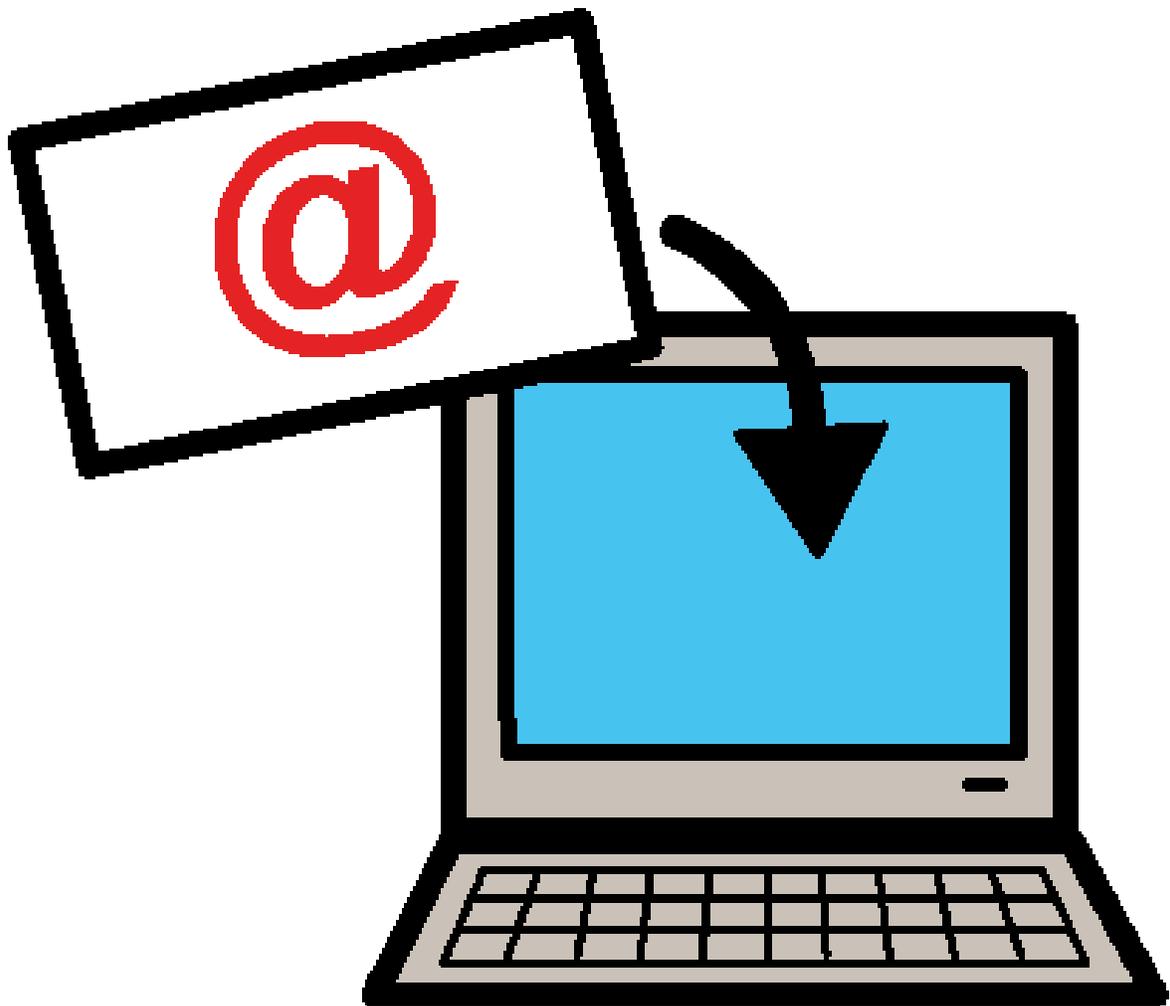

I phone my family.

I video chat with
my family.

I email my family.

I text my family.

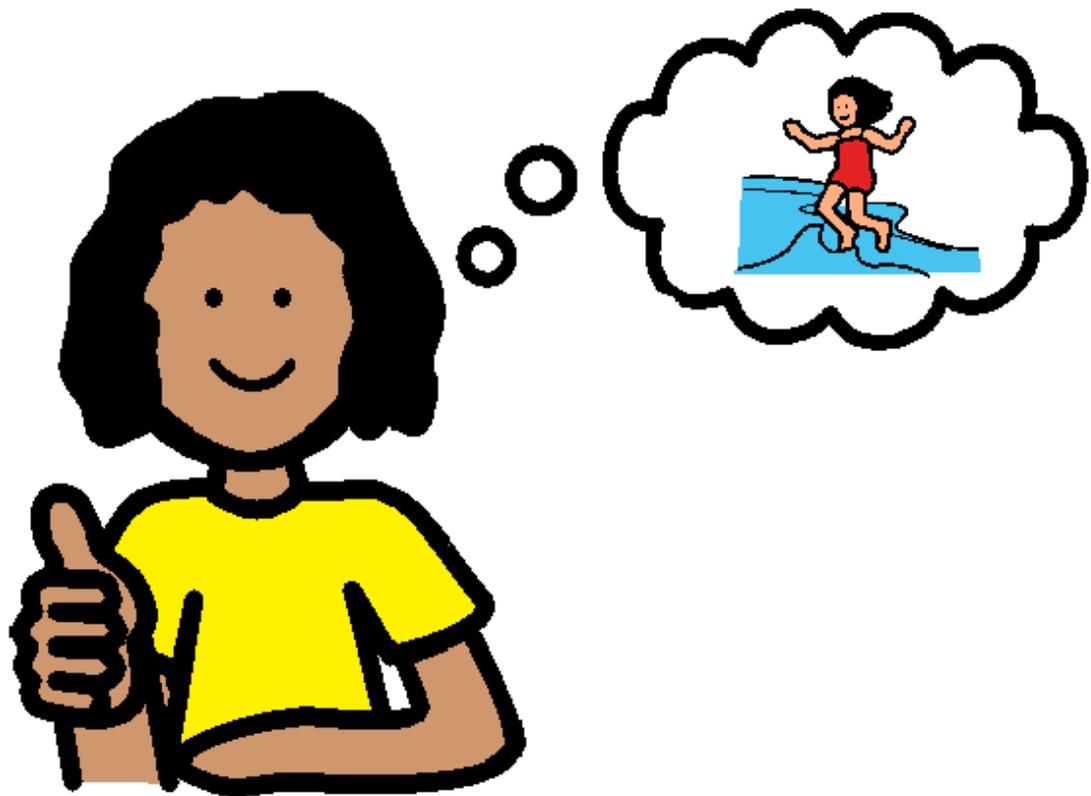

I mail a card or a letter to my family.

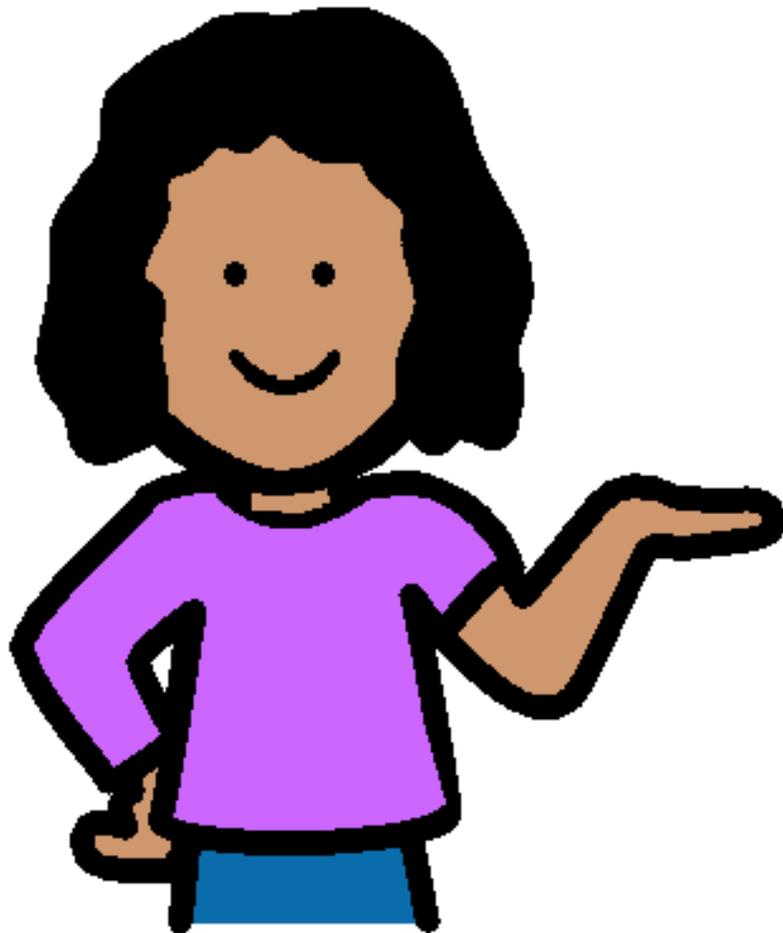

I make things
for my family.

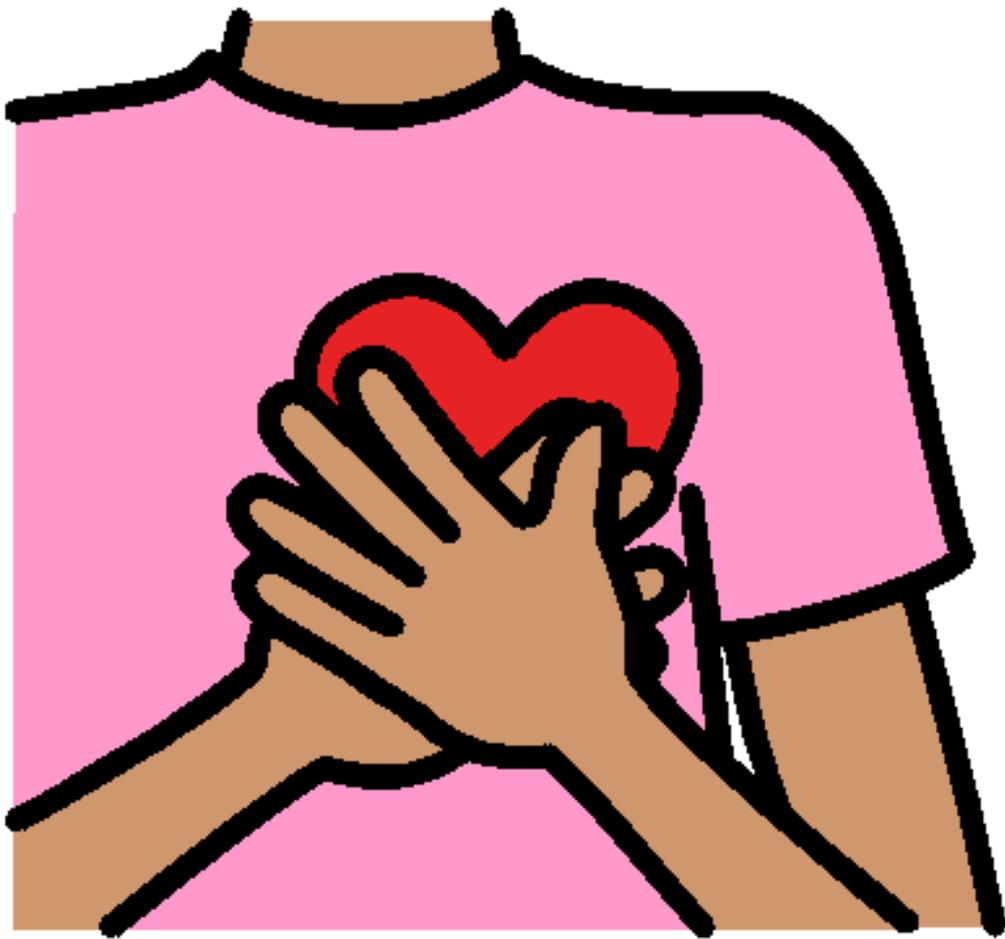

I think about all the things I want to do with my relatives when we see each other again.

It's good to have
things to look
forward to.

I love my relatives.
They love me too!
