I have many
wonderful friends.

We do fun
things together!

I can't see my
friends right now.

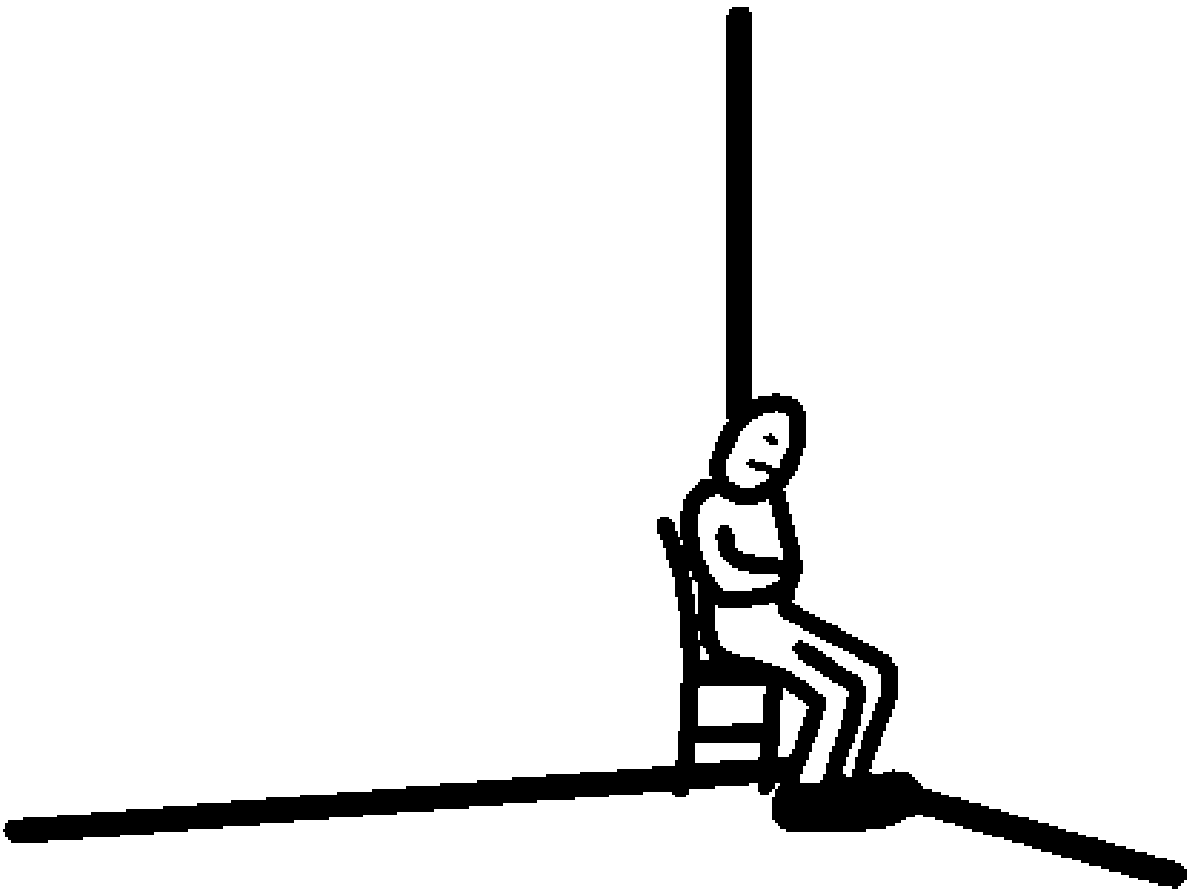

I miss my friends!

I feel sad.

I feel lonely.

I feel bored.

Being apart now
will keep us safe.

I still have my
friends, even
though we can't
be together.

My friends are
missing me too!

I reach out
to my friends.

I ask my parents
for help.

I phone my friends.

I video chat with
my friends.

I email my friends.

I text my friends.

I mail a letter to
my friends.

I make things for
my friends.

I think about all the things I want to do with my friends when we see each other again.

It's good to have
things to look
forward to.

I like making my
friends feel good.

Friends are the best!
